

Gene Center Newsletter October 2007

2nd International Symposium this week

Over 200 participants have registered for our Gene Center/SFB646 symposium on "Networks in genome expression and maintenance" that will take place at the end of this week, October 12-13. We have a fine collection of distinguished international and local speakers. Food and drinks are provided for registered participants. For the program click on "News" at: <http://141.84.46.11/sfb646/SFB646home.html>.

Nanoday

The Cluster of excellence "Nanoinitiative Munich" is organizing an open day on Saturday, October 13: <http://www.nano-initiative-munich.de/de/veranstaltungen/nanoday/>

Münchener Wissenschaftstage

The Gene Center will participate at the Münchener Wissenschaftstage, which take place October 20-23, 2007 at the LMU main building. This year, this large event for the public focuses on the humanities: <http://www.muenchener-wissenschaftstage.de/>

Hans Fischer Symposium

This year's Hans Fischer Symposium on Bioorganic Chemistry will take place on November 5 at the Technical University in Garching. The title is "RNA-molecules of life". For information see: <http://www.hans-fischer-gesellschaft.de/main/>

INTERACT symposium

Munich PhD students in the life sciences organize a symposium on December 07, 2007. For information see: <http://vmext129.gwdg.de/interact/>

The annual safety lecture...

...will take place on Wednesday, October 10, 2007 at 9.30. Please attend.

Roemer award ceremony

This year's award ceremony will be on December 7 in the large lecture hall at the Faculty of Chemistry and Pharmacy. The Roemer foundation recognizes outstanding research work carried out by Master or PhD students, postdocs or group leaders. For information see: <http://www.cup.uni-muenchen.de/roemer/index.php>

Christmas party 2007

This year's Christmas party is planned for December 19th. More information will follow soon.

Annual Retreat 2008

Next year's retreat will be on April 25-27, 2008 at Wildbad-Kreuth.
